

IBC-TAURUS CEO BUSINESS FORUM & FINE DINING

22nd February 2013 @ 5.30pm for CEOs and Business Owners; Others @ 7.00pm

The quarterly CEO Business Forum event has been IBC's hallmark for the last couple of years, where members and invited guests (CEO) can come an hour earlier to exchange and share their common business challenges, to be followed by a network, Part 2 of the forum and fine dining with all guests for rest of the evening.

The event consists of two parts:

Part 1: IBC CEOs & Business Owners Forum registration commences 5.30pm, with the formal program begins at 6.00pm sharp. This is strictly a CEOs and Business Owners session, where they will form small groups for intense discussion to share business opportunities and to get to know one another. Participants are strongly encouraged to submit a paragraph about your company and your expertise to IBC at admin@ibc-club.sg preferably by 15th February 2013 before 2pm. Each group will have a topic and a leader to lead the discussion, which should end punctually at 7.00pm. The session will then be followed by networking with all participants, until Part 2 of the forum commences 7.30pm.

Part 2: IBC - TAURUS* Business Forum will commence 7.30pm while everyone will enjoy the fine dining at the same time. As you dine, Representatives of Taurus Wealth Advisors will share their insights on the key to Wealth Preservation in an environment ridden with Conflict of Interest. A focus on Asset Allocation and specific investment ideas will be discussed.
